

From your PTA:

Seeking Room Parents!

In this virtual environment, we are looking for ONE Room Parent per class to serve as a liaison between teacher and your class parents. If you are interested, please contact your child's teacher. Once the PTA Room Parent Coordinators receive your information, you will get further guidance.

RISE (Rising in Service for Education) Program:

What: Online Only Small Study Groups by classroom.

Why: To give students the opportunity to connect with their classmates in an online small group environment. To give students the freedom to collaborate on asynchronous work or study. To give students an opportunity to socialize and have fun together in a small group setting.

Who: Optional for ALL students. We are seeking PARENTS who are willing to facilitate and monitor online connections for students in this program. You do not have to tutor or teach.

When: Once we get the RISE parent volunteers and Room Parents established, we can work with the teachers to make small groups for their classes.

How: Your child's Room Parent and Teacher will coordinate the RISE parent volunteer and student small groups. They will connect virtually just as they do for class. A link and directions will be communicated once we are ready to launch.

If you are interested in serving as a RISE parent volunteer, please email RISEwestbriar@gmail.com so that we can record your contact information. You will get further directions from your Room Parent.

Thank you!
